## **Gua Sha Sculpting Roller**

### **User Manual**

#### **1. Shape design**

#### **2. Diamond-Shaped 3D Roller**

The 3 D diamond-shaped roller helps to diminish cellulite, wrinkles and fine lines, reduces puffiness of the fascia for a firmer, tighter and more youthful appearance.

#### **3. Ergonomic Design Fits skin perfectly**

The versatile edges feature different results in massaging. Each side is purposefully shaped to lift and reach areas of your face and body to improve fine lines, sagging, and lymphatic drainage.

#### 4. Hematite Stone Inlaid On the Top

Gently press the stone on the acupoint or slip it along with the facial contours to relieve anxiety, promote blood circulation, and eliminate insomnia.

#### 5. Back Scraping and Massage Therapy

Significantly improve the blood perfusion volume and breaking down tissue adhesion in the scraped areas to promote blood circulation & energy metabolism, and reduce pain and swelling.
